

STAMINA

WHICH DOG?

ESSENTIAL STAMINA is our unique high energy meal, specifically formulated for dogs with especially demanding situations or lifestyles. The meal can be served for short periods or permanently. Our ingredients are of the highest quality; a quality you'll learn to expect from ESSENTIALS. STAMINA is a grain-free meal and follows our BOF principle.

TIP

STAMINA is also suitable for dogs with a tendency to being underweight.

THE BOF PRINCIPLE

Behavioural Optimizing Food (BOF) is the principle of developing food to match your dog's natural diet. We've achieved just that. Our food ensures the stability of your dog's sugar levels. Its high fresh meat content stimulates instincts and our low preparation temperature means your dog gets the best nutritional values. Berries, seeds, and herbs mimic the contents of the prey's stomach and its size and consistency ensure the meal is chewed before being swallowed.

IS THIS YOUR FIRST BAG OF ESSENTIALS?

With the first bag of ESSENTIALS comes a nutritional lifestyle change. Gradually phase in ESSENTIALS over 4-7 days, or make the change from one day to the next which works equally well.

The most important point is to adjust daily portions to

suit your pet. Overfeeding will result in softer stools. We therefore advise that you spend the first 2-3 weeks identifying the correct portion size. When your pet's stools are solid, and your pet feels satisfied, you have found the correct portion size. All you have to do now is enjoy all the benefits of ESSENTIALS.

TIP: Start by feeding your pet 10% less than usual and adjusting from there. You are always welcome to contact us for feeding advice and guidance.

THE RECIPE

Fresh chicken and duck, dried chicken and duck, sweet potato, chicken fat, peas, fresh salmon and trout, fresh whole egg, linseed, potato, liver stock, lucerne sprout, vitamins, minerals, MOS, FOS, glucosamine*, chondroitin*, MSM* (*all from natural sources), cranberry, akai, blueberry, mulberry, apple, tomato, orange, pear, carrot, spinach, cauliflower, seaweed, marigold, ginseng, green tea, ginger.

PREPARATION TEMPERATURE

90 degrees (°C).

BEST BEFORE

12 months from the preparation date.

Date, time and unique production number can be found at the top of the bag.

STORAGE RECOMMENDATIONS

We recommend using the ESSENTIAL the FOOD BOX. The food should be stored in a cool, dry place (5-18 °C); away from direct sunlight and in an air tight container. This will ensure the last meal tastes as good as the first.

ADVICE FOR DOGS WITH DISCERNING TASTES

In our experience most dogs find the taste of ESSENTIALS irresistible. Don't be surprised however if your dog doesn't finish his meal. This isn't due to taste, but because ESSENTIALS gives a fuller feeling, which your dog will get used to in time. If your dog is especially discerning, try pouring a little heated water over the meal. Alternatively stir in 1-2 spoonfuls of ESSENTIAL the OMEGA 3 OIL.
